

# Texas A&M Engineering Experiment Station

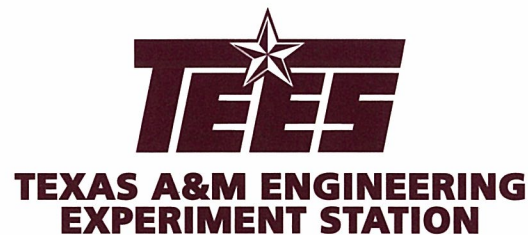

is pleased to announce this partnership with

## Aristotle University of Thessaloniki

The Texas A&M Engineering Experiment Station (TEES) and the Aristotle University of Thessaloniki (AUTH) embark on a collaborative effort to integrate and complement their capabilities for the creation of strategic plans to promote entrepreneurship, innovation, development and technology transfer, and other opportunities in the areas of research including multifunctional materials and structures, mechanics of heterogeneous materials, and other areas of mutual interest as identified by the parties.

This ceremony commemorates our commitment to establish  
the Center for Research and Development of Advanced Materials (CERDAM).

This certificate is signed this day,  
February 20, 2017

Dr. Pericles Mitkas  
Rector, AUTH

Dr. Konstantinos Katsambalos  
Dean of Engineering, AUTH

Dr. Dimitris Lagoudas  
Deputy Director, TEES  
Head of CERDAM, on behalf of Texas A&M

Dr. Nikolaos Michailidis  
Project Coordinator, AUTH  
Head of CERDAM, on behalf of AUTH

Dr. Mark Weichold  
Executive Director Global Initiatives, TEES
